## Buddhist Cities And China Prayer Points

We are praying for Gospel movements in these Buddhist Cities and Regions including China. God releases his power in response to the prayers of his people! Buddhism is about enlightenment. On this Global Day of Prayer, let's ask the Lord to remove the veil of blindness that is over the eyes of unbelievers trapped in Buddhism that they might see the light of the gospel in the face of Jesus Christ! We would invite you to focus with us especially as we pray for Kingdom breakthrough in Pyongyang North Korea this year.

2 Corinthians 4:4, 6, "In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the light of the gospel of the glory of Christ, who is the image of God... 6 For God, who said, "Let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ.

You can find specific prayer points for each city at 110Cities and also watch a short prayer video for each city you are praying for. We encourage you to do research on these cities and pray for 'Breakthrough' as the Lord leads you! Here are the cities and regions below with some prayer points!
